#### 6. Credit Transfer and Recognition of Prior Learning

Advance standing by Credit Transfer (CT) or Recognition of Prior Learning (RPL) is a process in which students may apply for exemptions. These exemptions will only be granted when all the stated learning outcomes and performance criteria of the courses have been demonstrated.

Where CT or RPL is granted before your visa has been issued, then the period of the course will be adjusted appropriately when the CoE is issued.

If CT or RPL is granted after your visa has been issued, then the Academy will report the change to the Department of Home Affairs. A full time study load (20 hours per week) must be maintained for international students. CT or RPL cannot exceed 50% of the course content.
